

Aqua-Carbon™

Alkalinity and
pH Treatment

GENERAL INFORMATION

By pre-treating irrigation waters with **Aqua-Carbon**, carbonates and bicarbonates are converted to highly-soluble and organically-rich lignosulfonate salts, which stabilize soil pH and serve as a source of nutrition for soil microbes. **Aqua-Carbon** conditions soils by reducing alkalinity and lowering soil pH. **Aqua-Carbon** is easy to use and will not harm turf when used in accordance with product directions.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

Aqua-Carbon comes with a 100% money back guarantee. If you are not satisfied with Aqua-Carbon for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.

10.05 lb/gal at 68° F (1.20 kg/l at 20° C)

CONTAINS NON-PLANT FOOD INGREDIENTS:

Active Ingredients

- 41.0% Calcium lignosulfonate
- 3.5% Non-ionic polyols
- 55.5% Inert ingredients

DIRECTIONS FOR USE

Golf, Lawns, and Sports Turf

Apply 3 to 5 ounces per 1,000 ft² in 2 gallons of water (10 to 16 L/ha in 800 L) at 15 day intervals or as needed.

Irrigate with sufficient water to deliver **Aqua-Carbon** to the soil profile - 1/8 inch (3 mm) or more recommended.

Inject 1 to 1.5 gallons per acre (10 to 16 L/ha) at 15 day intervals or as needed.

DO NOT combine **Aqua-Carbon** in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

HAZARD STATEMENT(S)

The product is not classified as hazardous. No known significant effects or critical hazards.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. In case of eye contact, flush eyes with water. If swallowed, give water or milk. If eye or skin irritation occurs or you feel unwell, get medical advice/attention.
