

Recover™

Treatment Soil Surfactant

GENERAL INFORMATION

Recover is a soil surfactant treatment chemistry formulated to easily and effectively relieve existing water related problems such as localized dry spots or wet spots. **Recover** is easy to use and will not harm turf when used in accordance with product directions. When used as directed, **Recover** can be applied at anytime of the year when water repellency and/or localized dry spots impact the vigorous appearance of turfgrass.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

AQUA-AID GUARANTEE

Recover comes with a 100% money back guarantee. If you are not satisfied with Recover for any reason after trying the product at recommended rates, AQUA-AID, INC. will refund your money in full.

CONTAINS NON-PLANT FOOD INGREDIENT:

Active Ingredient

- 40% Polyalkylene glycols
- 60% Inert ingredients

DIRECTIONS FOR USE

Golf, Lawns, and Sports Turf

Apply 5 to 8 ounces per 1,000 ft² in 1 gallon of water (16 to 25 L/ha in 400 L) at 7 day intervals. Once turf conditions improve, apply 5 to 8 ounces per 1,000 ft² in 1 gallon of water (16 to 25 L/ha in 400 L) at 30 day intervals or as needed.

Topdress Application

Following topdress applications, apply 5 to 8 ounces per 1,000 ft² in 1 gallon of water (16 to 25 L/ha in 400 L) at 15 day intervals or as needed.

Sod Installation

Immediately following sod installation, apply 5 to 8 ounces per 1,000 ft² in 2 gallons of water (16 to 25 L/ha in 800 L). Irrigate well to distribute throughout the root zone.

Irrigate after each application to remove the surfactant from the plant surfaces.

DO NOT combine **Recover** in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions.

HAZARD STATEMENT(S)

The product is not classified as hazardous. No known significant effects or critical hazards.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. In case of eye contact, flush eyes with water. If swallowed, give water or milk. If eye or skin irritation occurs or you feel unwell, get medical advice/attention.
