Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

CONDITIONS OF SALE

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. The Seller's liability under this warranty is limited in amount to the purchase price of the product. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. There are no warranties which extend beyond this statement.

APPLICATION RECOMMENDATIONS

For continued optimum growing conditions, apply 5 pounds per 1,000 ft² or 220 pounds per acre (250 kg/ha) at 30 day intervals throughout the growing season or as needed. Soil test recommendations should be followed.

To correct high sodium or magnesium levels or to loosen clay soils, apply 10 pounds per 1,000 ft² or 435 pounds per acre (500 kg/ha) once or twice per growing season. A follow-up soil test is recommended and if needed, reapply at optimum growing conditions rate.

To correct high sodium levels on Greens and Tees when using effluent water, apply 8 pounds per 1,000 ft² (400 kg/ha) at 30 day intervals throughout the growing season or as needed.

Warning

HAZARD STATEMENT(S)

Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation.

PRECAUTIONARY STATEMENT(S)

Keep out of reach of children. Read label before use. Avoid breathing dust. Wash skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear eye protection/ face protection.
